What is Modern Slavery in the Workplace?

A Modern Slavery in the Workplace course teaches employees how to recognise, report, and prevent modern slavery and human trafficking in and around their workplace. These courses cover the definition of modern slavery, common forms like forced labor and human trafficking, and the signs to look for.

They also explain the relevant laws, such as the Modern Slavery Act 2015, and how to comply with them, including supply chain transparency and how to handle a potential victim.

What is the benefit of Modern Slavery training to your business?

Our Modern Slavery course is for anyone who works within the UK. This course will offer your staff quick and effective Modern Slavery training to help them become aware of the importance of spotting and tackling Modern Slavery within a workplace.

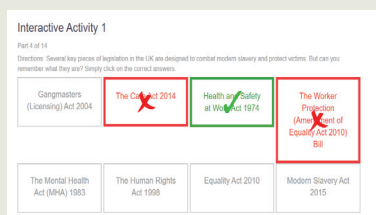

What does the Modern Slavery Training cover?

The Modern Slavery course covers the following:

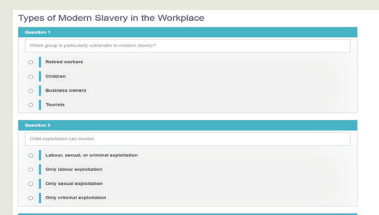

- Relevant Legislation
- Defining Modern Slavery
- Types of Modern Slavery in the Workplace
- Risk Assessment and Employer Responsibilities
- Recognising the Signs of Modern Slavery

Video Presentations.

Interactive games.

Final exam - certificates provided.

- According to the UK government, over 12,000 potential victims of modern slavery were referred to the National Referral Mechanism (NRM) in the last 12 months. This represents a 20% increase from the previous year, highlighting the growing awareness and reporting of modern slavery.

- The majority of victims referred to the NRM are exploited for forced labour, followed by sexual exploitation and domestic servitude.

- The most common nationalities of potential victims were British, Albanian, & Vietnamese.
